NEWS RELEASE

Mark Foster Visits 12 for Life

(Carrollton Georgia-September 18, 2009) Mark Foster, General Manager of the Walker Cadillac Buick Pontiac GMC automobile dealership recently visited the 12 for Life facility to help the students understand the importance of an effective attitude and the power of positive thinking. Mark shared his own experiences as an inspiration in setting goals and believing in one's self to achieve set goals. The discussion was in conjunction with the work ethics portion to the 12 for Life program, a partnership between Southwire Company and the Carroll County School System. The program ensures that students receive a balanced education, allowing them the best of both worlds by working regular hours, earning actual wages, and, most importantly, learning skills they will need after graduation.
